Last Updated Wednesday, 26 October 2011

We have so many service program going on here that it's hard to list them all. We help out at the local food bank by volunteering there as well as collecting food here at the church. See the picture below for a haul we donated one month.

We teach ESL classes, host a homeless shelter in our church, pick up trash on Lake City Way, clean up the creek in our neighborhood, run the Lake City Holiday Project and on and on. If you'd like to find out a way you can become involved in these numerous projects and more please contact our Community Outreach Director, Terry Vogel:
