

"Family Ministry" Team

Contributed by Julie Blum
Last Updated Wednesday, 23 June 2010

This team plans fun events in our community like summer bbq's, family camp, talent shows, dinners for eight and other social gatherings. They coordinate our monthly Sharing Team that are in charge of providing coffee, beverages and snacks for a social time after worship. They also provide altar flowers and help to clean up after worship. Not only does this team help us to get simple tasks done it also provides a way for members to form relationships and to get to know one another. Do you have an idea for a fun social event we can do together? Let us know!
