

Capital Campaign Giving Opportunities

Contributed by peaceout
Last Updated Thursday, 15 April 2010

The campaign goal is \$750,000. The three-year giving period begins in June 2010. Gifts may be given as a one-time gift or in weekly, monthly, quarterly, annual, or other installments. If you wish to give gifts other than cash or checks, call the church office for assistance. All gifts are tax deductible to the full extent allowed by law.

Every person's gift and support is important and should be determined through prayer and personal commitment. Your support for this campaign represents optimism for our church's future. Together we made a long-term commitment to expand our mission, and together we must continue to grow our ministry and take God's word into our community.
