

Music: An Integral Part of Our Worship Time

Contributed by peaceout
Last Updated Tuesday, 26 March 2013

Music has always played a great role in our church: from joyful noises to solemn vespers. Liturgical hymns, spirituals, African rhythms, choral anthems from Baroque to Contemporary, and our annual Christmas Musical, all come together to form the body of our Music Ministry. Do you have any musical gifts you can share? We'd love for you to join our singing, praising community.

Handel Shin
Choir Director
