

How Anyone and Everyone can help with our children

Contributed by Julie Blum

We have two easy ways you can help the faith of the children of Maple Leaf Lutheran Church. Please consider one or both:

- 1) Become a "Prayer Buddy." We want every child in our congregation to have a Prayer Buddy who will be praying for them throughout the school year. Sign up with Carol O, Wendy B, or Kelly O of the Education Committee, or talk with Pastor Julie if you have questions.
- 2) Teach Sunday School. We always need more teachers and helpers for our Sunday School program. No experience required just a heart for kids and the willingness to serve. We will help you with the rest. Don't worry, it's really easy! You can commit to one Sunday or many, whatever works for you. Again, contact the Education Committee or Pastor Julie as soon as possible!
