Last Updated Wednesday, 26 October 2011

Every couple months our youth group hosts a "Parents' Night Out" event where parents can dropped off their children at church for an evening and our youth group will babysit. Dinner is provided as well as fun activities. Many parents enjoy this event as it offers them a night out "kids free." The fee is by donation and all money earned goes to our youth fund. We will let you know when the next "Parents' Night Out" will be.
